

# TESTIMONIALS

“We had THE BEST experience with the Wyndham Grand Orlando Resort! We had our rehearsal dinner there as well as our wedding reception. In addition, the majority of our out-of-town guests stayed at the hotel. The Wedding Sales Manager and her entire team were attentive, responsive and so fun to work with every single step of the way. We live in Minnesota so had the difficult task of planning from afar. They were always quick to respond and answer any questions we had. They were always able to ease any concerns I had and make sure I knew everything was under control. And even though they have probably planned hundreds of weddings she always made us feel like ours was special and important and not just another day at work—it was so sweet and appreciated. The rehearsal dinner and reception were both beautiful and the service was always excellent. Following the reception we all went to the hotel’s lobby bar to keep the party going and all bartenders and staff there were also wonderful, attentive and fun. All our guests had a great time. We received several compliments on picking such a great venue—all enjoyed the beautiful setting, good food/drinks, friendly staff and the hotel’s many pools! They also really appreciated the shuttle service to Disney. We truly had a wonderful experience and would recommend this venue to anyone for ANY occasion.”

“The Wyndham Grand Orlando at Bonnet Creek was the perfect venue for my wedding. From start to finish (over a year of planning) it was perfect! The staff was friendly, the food was AMAZING, the ambiance was romantic and the resort was gorgeous! Brittany made my day perfect. She had many ideas and was able to accommodate anything I wanted to make my day special. The resort and pools were beautiful. My wedding day ran smooth and Brittany and her staff is to credit. I wouldn’t change one detail of my wedding. It was perfect and everything I imagined. I highly recommend The Wyndham Grand Orlando at Bonnet Creek for any event, especially a wedding.”
